To access this service and change from paper to electronic statements, please follow these instructions.

1. Log onto your credit union account at www.medparkcu.com using your member number and password.
2. Click on the button that says **Services** on the left side of the screen.
3. Click on Change **E-Statements** Options. Do **Enrollment**.
4. Enter the E-mail address where you want your statement notification sent.
5. From the drop down menu, choose change to E-Statements only.
6. Click **Submit Changes**.

You will receive a notification e-mail, advising you that your statement is ready. If you do not receive it, please make sure to check your junk or spam e-mail folder before reporting this issue to MPCU.

To access your statements when ready, log onto your account as usual and click on Statement at the top of your screen. There will be a PDF file.
