International Credit Union (ICU) Day®

Why do hundreds of millions of people worldwide choose credit unions? Because credit unions have a “people-first” philosophy that impels them to constantly improve their communities and the lives of their members. That local service feeds a worldwide network that reaches more than 403 million members across the globe. On Thursday, October 17, 2024, join credit union and financial cooperative members around the globe in celebrating 76 years of International Credit Union Day®.

To thank you for being a member of Med Park Credit Union and to celebrate International Credit Union Day, register for prize giveaways the week of October 14th and enjoy refreshments in our lobby on October 17th.
